

Motions for Discussion at the Triathlon Ireland AGM

Content of Resolution

Section 8: Discipline & Appeals

Current:

96: The Company condemns the use of prohibited substances or methods, a practice generally known as doping in sport and it supports the drug testing programmes and educational initiatives of Sport Ireland, Sport Northern Ireland and other drug testing authorities. The Board shall adopt the Irish Anti-Doping Rules of Sport Ireland and Sport Northern Ireland as amended from time to time or such variation thereof as the Board shall determine.

Recommendation:

96: The Company condemns the use of prohibited substances or methods, a practice generally known as doping in sport and it supports the drug testing programmes and educational initiatives of Sport Ireland, Sport Northern Ireland and other drug testing authorities. **The anti-doping rules of Triathlon Ireland are the Irish Anti-Doping Rules as amended from time to time.**

Rationale:

Sport Ireland Request: The Anti-Doping Rules which are adopted by all NGBs are the Irish Anti-Doping Rules. There are no Sport Ireland or Sport NI Anti-Doping Rules.
