

Motions for Discussion at the Triathlon Ireland AGM

Content of Resolution

Our chairman is very passionate about inclusivity for all in Triathlon. Being a small club we are always looking to increase membership. Like most clubs our members are most likely members of other clubs in the area (running club, swimming club, bike club). Most of these clubs offer a Family membership rate (2 adults, 2 children) at a reduced rate, some even offer more than 2 children. The fact that TI do not currently offer this coupled with costs for bike/wetsuit etc can put people off.

Motion for Discussion

The ask is will TI consider introducing a reduced rate family membership as currently its really expensive to register all as separate members

Proposed By	Committee members
Club Name	Midland Triathlon Club
Chairperson Name	James Carton
Chairperson Signature	<i>James Carton</i>
